CENTRAL YESHIVA TOMCHEI TMIMIM LUBAVITZ

WRITTEN ARRANGEMENTS

CYTTL offers its students a number of educational opportunities at select institutions abroad and in the US. Courses offered are similar in content and style to those offered at CYTTL. This gives CYTTL students the opportunity to broaden their horizons by studying and mingling with students of other cultures in the natural surroundings of those students. These arrangements are approved by our accrediting agency, AIJS.

Students may take up to 50% of the coursework (or 50% of the academic program) required for the First Rabbinic Degree at the following select institutions. The method of delivery for the portion of the educational program offered at select institutions abroad or in the US, is in person.
